Alternative Assignment - A Simple Text Animation

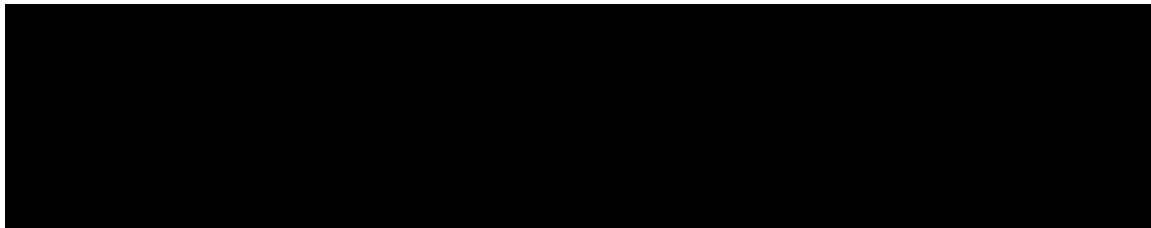

Name

Class

Recommended working duration: 2 weeks

Your task is to program a simple text animation similar to these two examples below:

- [Sample Movie Trailer](#)

- [Sample Story Intro \(from actual student work!\)](#)

Your animation needs to contain:

- Colours
- ASCII art (see below links for some handy ASCII art resources, feel free to look for more!)
 - ASCII Art Archive
 - Text to ASCII
- Clearing the screen
- Pauses

Please see the above two programs as examples. There is an accompanying [video guide](#) and [starter code](#) that you might find helpful.

Assessment Areas

You will be assessed on the following areas.

Colours

Your animation will need to demonstrate usage of different colours, highlights and/or styles

ASCII Art

Your animation will need to demonstrate usage of ASCII art

Clearing the Screen

Your animation will need to clear the screen at least once

Pauses

Your animation will need to demonstrate the effective use of pauses

Creativity - Originality and Presentation

You will be awarded marks for creativity in .
